

Please do not hinder the rights of Satellite Radio, I pay for this service and feel it must be allowed to provide all coverage in music, news, sports, weather, traffic. I pay for these services and it should not be up to the National Association of Broadcasters to dictate what I am permitted to hear. I respectfully urge the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that I demand and deserve. Thank you.
